Size Matters Guimond 45

Size Matters, the biggest vessel in the fleet, is a Canadian designed and built boat that holds a huge reputation for its capability to work in adverse weather and carry huge deck loads. Originally built as an angling boat, this boat has fished in the waters all around the UK and off of the west coast of Ireland. The boat is big enough to live onboard and is coded for 4 Pax + 2 Crew for charters greater than 24 hours.
